VER wanted to build a boat?

Family Boatbuilding 2010

If you want to build a real boat with your family you will want to be one of the lucky families/youth groups chosen to participate in this event. You will build your own 12 foot dinghy (Bevin's skiff) during the Vancouver Wooden Boat Society's 23rd annual Wooden Boat Festival on Granville Island, August 26-29, 2010.

Boats will be built under supervision of a professional boatbuilder with help from our knowledgeable volunteers. You will all launch your boats at the same time and be able to go for a row before taking your boats home.

Entry requirements:

Write us a short essay describing why your family should be chosen. Include family members involved and ages of youth (suitable for youth ages 11 -17 some exceptions allowed)

Mail entries to:

Vancouver Wooden Boat Festival
1490 Johnston Street
Vancouver, B.C. V6H 3S1, or
Fax: (604) 688-9682, or
E-mail: jan@pragmaltd.com

Cost is \$400 per family.

Deadline July 31, 2010. Entry decided on receipt of application. Limited space - apply early!

For more information call (604) 688-9622. Website: www.vancouverwoodenboat.com

Youth groups with charitable status may build for free. Additional information (application) for funding support will need to be sent to our potential funding sponsor on acceptance of your group's essay. Deadline June 15, 2010.
